Exceptional 10.0
Best Hotel In San Francisco!!

this is our favorite go-to SF Hotel - easy access to and from the Bay Bridge, across from the Ferry building, surrounded by great restaurants. And, the best part, the staff is SUPER!!!

Very Good 8.0
**A few issues, but overall a nice hotel.**

A little problem at check in when they put us in a queen room when we had reserved a deluxe king room. They took care of it though and switched us to a king room with a nice view. Only slight complaint is that on top of the $29 "resort" fee, they hit us with a $60 parking fee when we checked out. I don't remember seeing that in the fine print when I booked, but probably just missed it. Seems a little steep for 1 night of parking. They might want to consider reducing those two fees to a single, lower "resort" fee to avoid disgruntled customers.

10.0 Exceptional "Nice"

It was ok. Nice hotel, very comfortable and at the airport which that's what I needed. For some reason I thought the breakfast was included and it should for the price
